Data Check In: Baseline Data Entry and Data Reports

**Meg Parker, MD, MPH
Gaby Cordova Ramos, MD**

Entering Baseline Data

- We've been working with our data analysts to finalize the report templates for this project
 - Will be ready soon
- We need teams to enter baseline data dating back to January 2023 so that we can develop the first data report
- Status update: how's this going for everyone?

Utilizing Funds by the End of the Project Period

Gaby Cordova Ramos, MD

Project Funds

- Contracts are with MDPH and are written to end by June 30th
- If you do not plan to use all of your funds by then, you will need to contact them ASAP to request an extension from July 1st- September 29th.
 - Contact: Virgie White- virgie.white@mass.gov
- Any funds not used by Sept. 29th will be lost. So please plan accordingly!

CMS SDH Measurement Requirements

Gaby Cordova Ramos, MD

CMS Measure

- CMS has a new requirement going into effect 8/1/23 to screen for SDH in the adult, in-patient setting
- This is impacting several of our teams as their hospitals are implementing a hospital-wide screening tool that will be integrated in the EMR
- We have some ideas for workarounds and how to continue your work on this project

Project Implementation and PDSAs

Gaby Cordova Ramos, MD

PDSA Check In

- How has implementation of your screening tool and resource guide been going?
- Who has started their first PDSA?
- What are you working on?

Wrap Up and Next Steps

Next Steps for Hospital Teams

- Keep working on your projects!
- Please enter data into REDCap!
- Reach out to DPH about extending your funds from July 1st- September 29th.
 - Virgie White- virgie.white@mass.gov
 - Fifi Diop- hafsatou.diop@state.ma.us
 - Christin Price- christin.n.price@state.ma.us
